FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Transportation, Department of Public Safety – Missouri State Highway Patrol, Boone County Sheriff’s Department, Jefferson City Police Department, Springfield Police Department, and Creve Coeur Fire Protection District** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Department of Revenue (DOR)** assume, based on similar legislation that was passed in 2006, section 304.585, that this proposal will have a minimal impact to the DOR. As of January 22, 2010, DOR has received 9 convictions of section 304.585.

Officials from the **Office of the State Public Defender (SPD)** assume increasing penalties on existing crimes, or creating new crimes, will require more SPD resources. While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional appropriations for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all its cases. SPD assumes a minimal unknown impact.

Oversight assumes the Office of the State Public Defender (SPD) could absorb the costs of the proposed legislation within existing resources. Oversight assumes any significant increase in the workload of the SPD would be reflected in future budget requests.

Officials from the Office of Prosecution Services, Buchanan County Sheriff’s Department, Clark County Sheriff’s Department, Columbia Police Department, Independence Police Department, Jackson County Sheriff’s Department, Kansas City Police Department, Platte County Sheriff’s Department, St. Charles Police Department, St. Joseph Police Department, St. Louis County Police Department, St. Louis Metropolitan Police Department, Central County Fire and Rescue, Centralia Fire Department, DeSoto Rural Fire Protection District, Hawk Point Fire Protection District, Hillsboro Fire Protection District, Lake St. Louis Fire District, Mehlville Fire Protection District, Nixa Fire Protection District, Saline Valley Fire Protection District, Southern Iron County Fire Protection District, St. Charles County Ambulance District, Taney County Ambulance District, Valle Ambulance District did not respond to Oversight’s request for fiscal impact.
